

THE ABYSSINIAN PRINCE #375

August 20, 2016

Jim Burgess, 664 Smith Street, Providence, RI 02908-4327 USA, (401)351-0287, jfburgess of gmail.com

E-MAIL/WEB ONLY ISSUE! PDF will be available on the website. We also are being reproduced in *Eternal Sunshine*.

Web Page Address: <http://www.diplom.org/Postal/Zines/TAP/index.html>

New Kendo Nagasaki game starts this issue, but YOU can still join, hop in!!!

This issue continues the szine/subszine inversion. As most of you know, this thing began as a "subszine" to Terry Tallman's *North Sealth*, *West George* in *NSWG* #16, then became its own szine with a host of subszines. Since Terry's passing, we lose our thirty year fervent hope that someday *NSWG* would have been resurrected and I could go back and swear my fealty to the Toadfather. The subszines remaining will appear as sub-subszines to our flipfopped home in Doug Kent's *Eternal Sunshine*. I'm set on continuing my GMing, and I'm starting to write a bit, hope there might be more, especially when I feel better. Feel free to communicate with me about how you want to help or what you want to play, or if anyone else wants *TAP* subszine status.

For production, in addition to the HTML's of each separate product on the web page, I also have a PDF that you can print of the entire subszine (including my famous handdrawn maps!). You can just print the maps if you like, but remember maps are for pikers anyway, you don't need no steenkin' maps, keep them up in your head where they belong. I'm having trouble with the upload interfaces, part of the diplom.org site move consequences. I'll get it fixed as soon as I can. I need to stay within the security of the site (which is very important!!!!) while getting access to change the web site's index and files for the szine. It shouldn't be that hard, but my first, second, and third attempts didn't work.

The website address is still: <http://diplom.org/>. I had a glitch in the webpage update process, but I hope it will be fixed soon.

There are currently 77 members of the official *TAP* subscriber list, which is starting to come back up. <http://lists.asciiking.com/mailman/listinfo/tap> is the current list website. YOU need to make sure you're on this list. I'm trying to add some of the newer subscribers who aren't there. It's really easy, just click on that link or copy and paste it into your browser. If you have questions or problems, PLEASE ask. There you can check your subscribing options and whether you're registered. Register if you want to get *TAP* E-Mailed regularly. Some people have had trouble with the attachments, so I have switched to sending the link in the announcements, I see that does help. Please let me know about other issues, but it puts priority on getting link up again. Apologies for the recent confusions.

THE ABYSSINIAN PRINCE FEATURES SECTION (CONS/LETTERS/MUSIC)

((For upcoming cons around the world: <http://www.diplom.org/Face/cons/index.php>, success, we have badgered all the Con directors to post their Cons, so it is reasonably up to date now. And there remains lots of interest in the FTF community, and linking E-Mail/Web players to FTF. Also, the Facebook page for European Tournament Diplomacy, <https://www.facebook.com/groups/1500292310187264/>, Diplomacy in Europe, has been really active and the place to be in the hobby these days. If you're on Facebook, hook up there! The Nor'Easter sequence of four tournaments has TWO more coming in the sequence.

I am going to be at the BOSTON Massacre tournament (I hope) coming up in September, on the 24th and 25th. As of right now, I only plan to play the two games on Saturday, but that could change. Our Boston Backbiters website for this is: <https://sites.google.com/site/bostonmassacrediplomacy/>. The Paypal pre-registration link there works perfectly, I did it myself, join me today. This will be at the Cambridge Marriott in Kendall Square near MIT. This brings the memory back to earlier Massacres (at least I think they were called Massacres) that were actually held at MIT. We did these commando style, just taking over open classrooms, ultimately we decided that was too risky, so this one is on the up-and-up. Randy Lawrence-Hurt has gone the extra mile to set up this tournament, so PLEASE come and support us and have fun!!!

Last but not least, after Carnage (<http://www.carnagecon.com/>) at the beginning of November, which you also should attend, I'm leading TotalCon again, which has MOVED! TotalCon will be February 24-26, 2017 at Best Western Royal Plaza Hotel, 181 Boston Post Road West, Marlborough, MA. For those following closely, this is basically where the Boston tournament was last year, before Randy and Alan Levin moved it to Cambridge.

TotalCon is New England's largest general gaming convention and is one of the places that we as a hobby reach out and make the Diplomacy tournament circuit known to other gamers. We picked up quite a host of brand new players last year, and expect to do more of that this year. Thanks to the entire TotalCon staff for their hospitality and helpfulness.)

NEW FEATURE: ROCK AND ROLL BANDS AND MOMENTS THAT MATTER

((If anyone from TAP or ES has ideas for more things to talk about here let me know. I do have four or five ideas lined up here already that I just have to write. I have been nudged... comments from any of you also are welcome.))

THE ABYSSINIAN PRINCE LETTERS SECTION

More are welcome!!!

GAME OPENING INFORMATION

I'd love to do another game of Spy Diplomacy, but it requires commitment that seems in short supply these days, but let me know if you want me to reprint the rules.

REGULAR DIPLOMACY: Two games continue. Is there something else we want to start? I have some ideas on how to do "By Popular Demand" differently...

Game Notes:

1) The rules are on the *TAP* website in the *Tinamou* section. Ask if you have any questions. Rules at: <http://www.diplom.org/Postal/Zines/TAP/Tinamou/rules/BreakingAway.htm>

Up above in parentheses is the card you played to get to where you are in the field. The replenishment card is the last card in your list. Be careful to note that the card you played (the one in parentheses) is not available for you, for next turn. Just for fun, I keep track of total replenishment, by turn, which is a rough measure of how the teams are doing. Of course, it is lining up to get across the sprint and final lines in the right places that really counts. We can calculate an “efficiency score” later, which will be the ratio of scoring points per replenishment.

2) Three riders have been dropped from the pack, but I keep them moving along with their “3” for the rest of the game. The second Sprint Line comes up after 80, and the first rider is over the line. We have a HUGE pack and partway back they get replenishment cards that can take them over the line next time as well.

**WHERE IN THE WORLD IS KENDO NAGASAKI
DEADLINE FOR TURN 3 OF THIS GAME IS SEPTEMBER 17, 2016**

This explains the symptoms I’m having and they say I should be walking again on Saturday, I hope they’re right, wish me luck. I don’t have time to get a map in here, so we’ll deal. I hope I get back on line in time to get Doug Kent’s orders in.
